No School Day 6:30 a.m. to 6:00 p.m.

Our Program

Our exceptional program contributes to the goals and priorities families have for their children. Our children embrace learning, build self-confidence, develop friendships, have fun, and participate in physical activities. We make time in our daily schedule for spontaneous discovery of the world around us! We believe that keeping the lines of communication open is important. You will have day to day communication with your child's teacher and our Director Teri has an open-door policy. Our Himama app gives you real time updates and allows you to message your child's teacher directly and check out great photos and videos.

about us

Learning through Play

Our child care program approach includes a variety of opportunities for our children to learn by experiencing concepts and ideas. Within our classrooms, large and small group learning time include songs, games, language development, dramatic play, fine and gross motor activities, and more. Our child care program approach includes a variety of opportunities for our children to learn by experiencing concepts and ideas. Within our classrooms, large and small group learning time include songs, games, language development, dramatic play, fine and gross motor activities, and more.

infants

Our teachers give infants warm and caring attention. Infants receive an abundance of tummy time, walks, affection, and opportunities to crawl and explore in a safe daycare environment.

toddlers

Toddlers develop social and self-help skills in a nurturing child care environment while given choice to make each day special and fun through a balance of activities throughout the day.

preschool

Children in preschool enjoy a mix of fun activities promoting fine and gross motor skill development and independence to help prepare you preschooler for Kindergarten and beyond.

Our Staff

The staff and teachers here at Northwoods Child Development Center are fully equipped, trained and qualified. They are all professional and experienced individuals in the field of child care and early childhood education. Some have experience working with Wisconsin children for decades.

Our Curriculum

"Where Learning and Fun are One" The philosophy behind our curriculum is that young children learn best by experiencing hand-on activities. Our teachers create and plan lessons to meet each child's developmental goals and objectives. We provide developmentally appropriate practices daily for the children.

Our Teaching Methods

We utilize the following teaching methods: Ages and Stages, Conscience Discipline, The Portage Guide and DAP Developmentally Appropriate Practices.

Our Rating

We are currently rated by Youngstar and we are working towards accreditation through The National Association for the Education of Young Children NAEYC. All of our staff are members of and rated by level with The Registry.

meals

We serve breakfast, lunch and snack and follow the CACFP standards, serving our kids a healthy and well-rounded meal.

finance

We accept child care subsidy payments from Northern Income Maintenance Consortium. You must provide approval prior to starting.
